

# Tell your story about your experience of care

Do you identify as part of the LGBTQIAP+ community?

Your story is a powerful tool to **amplify LGBTQIAP+ voices**, so we can learn from individual and collective experiences in our service, and put these towards building a **safer** and more **inclusive** service. Share your story anonymously through Care Opinion.

I explained we did, and that my son would be listed under his birth name and that he no longer went by that. **Amanda promptly asked my son what name he would like on his vaccine certificate and which pronouns he preferred.** She was warm and friendly and expressed no contrary body language.
