

# Tell your story about your experience of care

Do you identify as part of the LGBTQIAP+ community?

Your story is a powerful tool to **amplify LGBTQIAP+ voices**, so we can learn from individual and collective experiences in our service, and put these towards building a **safer** and more **inclusive** service. Share your story anonymously through Care Opinion.

I am a transgender woman and was very concerned at being misgendered by the door screener both on entry and exit. Every other staff member correctly gendered me without any issue. **Could you please provide some education about gender identity and the importance of correctly gendering people as, in my experience, it causes distress to those individuals?**
