"My child with additional needs required multiple fillings and a tooth extraction.

School Dental Therapist Elena was kind, patient, flexible, funny and non-judgemental towards my son and I."

"The volunteers who give so much - I feel some sit in a boring little space for hours to give us our covid tests and make safe visitor entry and exit - others like Adrian play the piano every Thursday afternoon filling the home with the most beautiful music (a favourite of Dad's)."

"Kat contacted me throughout the experience and also spoke regularly with my son while he was in hospital which as he puts it "she's a real person who you can talk to"... Having someone like yourself within the Adult Mental Health system has given us as family a sense of hope."
